

**Certificate NEN-ISO-9001 : 2008**

Hereby ISOMANAGEMENT and Certification Organization declares that:

**Reforac**

an internal quality-system has designed and implemented that meets the requirements of ISO 9001: 2008.

This quality is based on customer focus and continuous improvement.

“Reforac is involved in the production, marketing, sales and distribution of adhesives, sealants, coatings and tapes.”

ISOMANAGEMENT has audited the processes and process descriptions as an independent body. It is established that all system requirements of ISO 9001: 2008 are fulfilled. This standard will be audited annually by ISOMANAGEMENT.
